

Social Media Safety Lessons Grades 9-12

Ronna Glickman -Presenter

Digital Footprint (There is no second chance to make a first impression)

College- looking at your digital footprint -Present many real-life examples where scholarships are lost, students pay tuition, yet still get kicked out for inappropriate online behavior.

Job vs Career – Look at your digital footprint

How to Present Yourself In a Positive Manner Online

Bullying in the Workplace – Boss/ co-worker (Explain who in a corporation you would go to for workplace bullying)

Sexting – Long Term Ramifications -Sexual Predator Status Forever

Strategies Encountering Hate and Hate Speech Online

My absolute favorite activity is asking students to reflect on their younger days online. What advice would they give younger kids about social media? What would they go back and change about their usage, if given the opportunity?
